The DOMINION Virtual CONFERENCE Mandate

Without a doubt the voice of the Apostolic and the Prophetic is being released in this hour! With a clear and distinct sound that's rooted in wisdom it is activating and bringing order in the Kingdom of God as it (wisdom) speaks in the Gates! God is restoring honor again to the 5 fold ministry, he is positioning them to 'open the gates' that'll activate and release the anointing and giftings within the Body of Christ, to stop Satan's agenda from ruling and reigning throughout the earth. The Church of Jesus Christ cannot ignore the increasing role the 5 fold ministry will have to play in not merely advancing the Kingdom but spiritually, naturally and theologically shaping believers to be ready to advance the kingdom in every domain.

It's critical for the men and women of God, to rise up and embrace the Dominion Mandate in this season of imposed situational limitations, for this is the original instruction and assignment given to man by God (Gen 1:28). This very moment has been ordained of God from the foundation of the earth and we're here today to be equipped not in our own might, but by the Spirit of the living God, to achieve all that he desires of us. We're here to also understand the nature of the Kingdom, the rule, rank, reign, authority, power and the dominion that has been given to us; and as women rise up to have a clear understanding of our identity and purpose.

Already we are seeing the emergence of a 'new breed' of fearless warriors and believers (both men and women) strategically and prophetically positioned, to advance and accelerate the Kingdom of God in the earth!

We will learn today how 'Women with Kingdom Authority - Change spiritual climates' as it relates to The Dominion Mandate.

I pray God's choice for this Women's Conference, Bishop Jacqueline E McCullough will speak to us as of the oracles of God and lives will be impacted and transformed forever in Jesus mighty Name!

Grace and Peace!

'Walking in Obedience and Belief'

How do I live a life of obedience?

The first thing we must do is to agree that God is sovereign and that he knows how to govern our lives.

It is key that we fully embrace the concept we are not called to govern ourselves. The realisation that we are obligated to obey Him because He is the Creator and we are His creatures, is stated in Psalms 95:6

**"O come, let us worship and bow down
let us kneel before the Lord our maker."**
